Azov films Igor Igor Torrent Download Azov Films Azov Films Igor Igor Torrent The attempt of Azov Films to register the trademark PojkART in the United States and the Canada lead to a lawsuit between Azov Films and Baikal film producer and founder of the distribution company KiB art. Since the 1970s, KiB, via its PojkART brand was active in the field of books, images and movies about boys, and in 1998 was given the exclusive license for distribution in North America of Baikal Films. A more serious criticism is that Azov Films sold not only films of Baikal Films, Europa Sun and Award Films (all three being originally distributed by Baikal Films) and PojkART, but sold pirated copies. The Baikal Films producer, according to his own account, made the observation in doing the test to buy his own films on AzovFilms. The lawsuit was decided in April 2012 in favor of AzovFilms.
