The American Civil War has become a cult event in history, so after the opening scene where two brothers - Thomas and Ray McCalls - point guns at each other. Nearby is their younger brother William and the culprit - Mexican Marisa. All the actions of the first scene take place in the treasury of the Aztecs, where the main characters have been going over the past three months. They obviously did not share the wealth inside the treasury, so the developers decided to acquaint us with the events of two years ago.. Call of Juarez: Bound in Blood Is a first-person shooter that tells the story of revenge, love and brotherhood, where each of the brothers risks everything to save a relative. Call of Juarez: Bound in Blood is a great new take on the genre. The brothers are back and ready to fight for Gold with a range of new weapons and styles. Choose to embody Ray or Thomas, each with a distinctive gameplay style (close- or long-range), specific abilities (lasso, dynamite, etc.) and arsenal of deadly weapons (dual guns, long-range carbine, etc.). It's an amazing time to be alive, and if you want to enjoy something that's both big and challenging, this is it. - IGN Call of Juarez: Bound in Blood is a short, but a great, story-driven single-player shooter, that draws on the heritage of the award winning Call of Juarez title of 2012. It should appeal to fans of the West genre, as well as to gamers who enjoyed the single-player component of the last title. - Toucharcade The year is 1866, the Old West is in its last throes. The lawless area near Austin, Texas is home to the McCall brothers: Wild Bill, the cruelest, most ruthless bounty hunter this side of Hell. The brothers are on a quest to find the Gold of Juarez, a treasure known to exist but not be found. On the road, they will stop at nothing to get what they want.

So in short, it is quite hard to really play Call Of Juarez: Bound in Blood without being a fan of the Wild West genre. The game has a strong story line that is quite easy to follow, and there are a few different missions within the game, and even more variations in the missions. There are also a lot of different weapons you can use, making the game quite challenging and fun at the same time. The voice acting of the game is quite good, especially because there are many different characters that you are able to play. You are able to use them as you wish and in all-inclusive ways. There is also a good selection of music, which is able to make the game even more pleasurable to listen to. So if you are looking for a good game that is easy to control and that feels quite familiar, you should probably pick up Call of Juarez: Bound In Blood. Call of Juarez: Bound in Blood is set in the Wild West of America in the year 1864. To save their families the McCall brothers will kill anyone who stands between them and the legendary Gold of Juarez. In every step, players will have to go through multiple tests and show how strong a bond they hold for their brother. The game has been in the market for almost 12 years but it is still one of the most loved games in the action game genre. San Francisco has always been the center of the action in the Call Of Juarez: Bound In Blood universe, as the stage. El Paso originally lay to the west of San Francisco, to the east of Las Vegas, and to the south of Tijuana. However, in the sequel, these cities lie in a chaotic state, with the streets broken into gang territories. This adds an extra dimension to the game, where you will be able to loot military bases, take on the mob, or move freely throughout the city until you find the criminal you want to target. 5ec8ef588b
